

MGRM Medicare Private Limited is led by a team of highly experienced senior leaders who direct the administrative affairs and day-to-day operations of the company.

The senior leaders each have 3 to 4 decades of experience in just the healthcare domain. Their capacity to chart a course for the Company's future is exemplified by the roles they have held in business, education, philanthropy, government, media and other fields. They meet regularly throughout the year to conduct strategic planning for the future and jointly consider opportunities to expand and improve every operation within MGRM Medicare Private Limited striving to achieve the group vision towards Ultimate Rehabilitation.
